The canonical website for Roblox is roblox.com, but many unofficial websites have been created due to the Roblox website's outdated and limited features. Some of these sites include ROBLOXHQ.com, ROBLOXFanSite.com, ROBLOXFanZone.com, ROBLOXAlbum.com, and ROBLOXFanGallery. These websites have been shut down on multiple occasions due to copyright issues or because they did not comply with the Roblox Terms of Service (ToS).[63] As of March 11, 2014, only the official website will be used for legal purposes by Roblox.

I just wanted to let the readers know that Roblox is not a bad thing for children to play. It teaches them a lot of skills that will help them in the future. It teaches them how to be helpful, creative, and patient. I am writing about Roblox today because I am fairly new to the game and am trying to get used to it. I have had Roblox for about 6 months now, and I am sort of over it. However, I really love the game. It is a creative game where you can design an avatar and have a house to decorate. I just wanted to write this because I know there are a lot of people who have been searching for my story on Roblox. Everyone has their own opinions on the game, but as soon as I found out that my parents were coming to visit me on Friday, I found out that they were going to be seeing where I spend most of my time playing games online: namely <https://www.roblox.com/>. I was very and extremely shocked that I hadn't clicked on the site before this - it means I really could have been playing the game for a lot longer. A lot of my friends have played this game and now I'm starting to understand why they say it's such an addicting game! I am writing about Roblox today because I am fairly new to the game and am trying to get used to it.

The first game to have a massive economy was Weebly Pages where they implemented a currency which included things such as energy, the ability to teleport to different locations, and more. There were about 4 things that were the most expensive at the time: The North Pole Room and Casino, Room of the Dead and Old Africa, and The Technology Lab and City. [119] Weebly Pages later went on to become Pikazo. [120]

Using this tool can help individuals save time and energy while at the same time giving a boost of motivation due to increased activity on their Facebook presence. The free robux script can be beneficial for all kinds of Facebook users since it can be of use to anyone who wishes to grow their presence on Facebook.

On December 10, 2018, the "Free robux" cards system was removed by ROBLOX. Many players believe that this was done due to scamming of codes and due to players complaining about receiving cards they didn't want.
