Roblox is also known for giving away free robux, tix or any other currency for a limited time. They will give these out on a special day and if you do not want to miss out on them because people are using them, then you should have just been using the free robux promo codes for ROBLOX already. These holds of the code can even be used as gifts among friends. There are very limited codes that they will give out though. If you want to be in line for one of these codes and still want to have fun, then you should always make sure that you do not use them too fast. This way, they will not release anymore codes and people will obviously lose out on having fun.

The canonical website for Roblox is roblox.com, but many unofficial websites have been created due to the Roblox website's outdated and limited features. Some of these sites include ROBLOXHQ.com, ROBLOXFanSite.com, ROBLOXFanZone.com, ROBLOXAlbum.com, and ROBLOXFanGallery. These websites have been shut down on multiple occasions due to copyright issues or because they did not comply with the Roblox Terms of Service (ToS).[63] As of March 11, 2014, only the official website will be used for legal purposes by Roblox.
