When one makes inappropriate content in Roblox-like swearing in their username or wearing inappropriate clothing they are roleplaying as an adult - the creators aren't doing anything about it. There are moderators but there should be more because some do not care about these problems or do not log on to Roblox at all times.

If you have been using the Free Robux promo codes for ROBLOX, then you will always be prepared to use them when they are ready. You just have to make sure that you do not share your identity with anyone else or else you will end up getting hacked and lose everything you already have. Just remember not to give your passwords out to other people even if it is someone who knows you or a family member. There are a lot of people who want to get unlimited robux in their account and they will do anything they can in order to get that done.
