A user named "Dragongirl" did a Twitter poll in June 2017 asking users their thoughts on the matter. Of her followers, 46% responded that they think that there are not enough female employees at Roblox and 64% responded that they think Roblox should have less white males working for them.

At some point in mid-2015, they started using blockchain technology on their games as a way to verify ownership of an in-game item or character and prevent cheating. In December 2016, they launched a new internal system which allowed users to sell their games directly from the ROBLOX catalog instead of uploading them to the website's database.

Rated 5 out of 5 by Anonymous from Awesome! Roblox is SO fun! You can download it for free and make your own games with your friends... It's really fun and I recommend it to everyone!!!!

On February 2nd, 2019, an announcement was made by ROBLOX as they were planning on allowing users to purchase 'Clips' which are in-game blocks and scenarios that can be used in their games.[108] These Clips would later become part of their new launch system that will be called Studio and released at a later date.

HelloRoblox is a generator that subscribes you to different YouTube channels. When you click on the Subscribe button, it will prompt you for your e-mail address. This is where they will send the free robux once you've earned enough. A video with over 50,000 views can earn you around 100 free robux, while videos with over 10 million views can give 500+ free robux!
