Here is where things get a little confusing but stick with me for a second and I'll link things together for you. When you get Robux gems and tokens from winning games, there is no value in the items you receive. There is no way to spend those items on anything in this game because they don't have any value. You can't sell them, you can't trade them for anything, they don't have in game money attached to them, etcetera.

In January 2017, Roblox permanently banned all accounts that were created by Arielle De La Rosa. The company said it was because of her "continued behavior", which included actions such as creating Emily Roe and harassing other users, as mentioned above. Although she had been blocked from Roblox for over a year, they said their original ban for her had been lifted in November 2016. They also stated that she could no longer be unblocked on their platform because of previous harassment reports against other players. The ban was not for her actions, but instead because of the continued harassment she had done.

Rated 5 out of 5 by Anonymous from Awesome! I love this game. You can play games made by other players or play games on Roblox Studios yourself! Its so creative and fun!
