On May 12, 2016, ROBLOX announced that its first paid product (ROBLOX Credit) would be released on the 7th of June 2016. Later on July 4, 2016, ROBLOX Credit will be released to a limited number of people and then will eventually be released to everyone with their first payment plan in July 2017. On September 15 it was available for all users to purchase via Paypal or Credits. On May 17, 2017, ROBLOX announced that starting on May 26, users who had never purchased or used ROBLOX Credit will have to purchase it using real money.

On January 31, 2018 ROBLOX introduced Community Plots. These plots were originally planned to be released on June 30, 2016, but were delayed. However, they came out on January 31 as "Floating Skyboxes". These plots are a way for ROBLOX users to make money from their creativity and imagination. You still use Robux for them. On July, 2018 ROBLOX introduced the Free-to-Play Game Pass that allows new players to play online games without having to pay ROBUX.

The free robux script is a tool designed to assist the Facebook user with automation. The free robux script allows people to automate their daily routine of posting on Facebook. The free robux script works by automating an individual's routine tasks, which are used for commenting, rating posts, and sharing news articles among others

Rated 4 out of 5 by Anonymous from Great! They make you have a membership, but it's free. I like that you can build and edit your own characters. You can also play others' custom games. You can also make your own games if you want Rated 4 out of 5 by Anonymous from Great! It has many things to do and it is definitely worth trying out! Rated 1 out of 5 by Anonymous from Horrible The game is worthless because of all the scamming on the app and its updates. Rated 5 out of 5 by Anonymous from I love it This is a great game that would keep you occupied.

In a response, Roblox stated that the employee who did this was dismissed after a thorough investigation and that they are committed to making improvements to their workplace environment. Chris Misner also stated that she suffered retaliation from other Roblox employees for contacting the media and posting about her experiences with the company.
