ROBLOX has also been criticised for its lack of badge incentives for participating in games, or even logging into the site at all. ROBLOX models these badges and credit prizes after the badges found in games like Journey, where a lot of doing nothing gives you a lot of money, which is possibly a reason some players don't log in. ROBLOX also has very few quests to complete that reward badges/credits.

Roblox has been accused of neglecting its staff and failing to offer development positions to its employees because its staff is almost entirely composed of white males, even though Roblox's community has been growing in diversity for years.

In 2011, ROBLOX explored new territory by releasing a single player/non-multiplayer title called 'Toy Defense'. Other notable games released around this time were "Dragon Knights", "Ancient Amulet", and the new version of "Capture the Flag" titled 'Capture the Flag 2'. On February 24, 2012 ROBLOX released another downloadable game titled "Rage Parking Simulator 2012". The success of Rage Parking Simulator 2012 (Rage for short) led to the creation of more downloadable games including, but not limited to: "Hoverboard Racing", "Build to Survive", and "Mech Warfare". On March 15, 2015 ROBLOX ported Rage to mobile devices on Google Play.

On December 23, 2017 (12:00 PM), ROBLOX released a new website design. The new design changes the way that how a user views a forum to have more details to see what is being posted on certain forums. There are also many improvements such as major revamp and update to the website's code. There are many game developers operating within ROBLOX. Below is a list of them, arranged alphabetically by last name: The most popular game on ROBLOX was Roblox High School, which had over 3.3 million plays in 2011, and 1.9 million in 2012 by September 2012.

ROBLOX announced they would be making videos, dubbed ROBLOX TV, in early 2017. They released three in total before shutting down all three channels to focus on "Builders Club". The first was a short-lived comedy show hosted by Janitorman and Aron. The second was a short-lived reality show hosted by JhonnnyFive from the "Testing Grounds". The third was a sports talk show called "Game Time" in which users could discuss various topics pertaining to sports. In each of these shows, they would later add other people to the cast like WoodysGamertag in Game Time.
