Rated 4 out of 5 by Anonymous from fun and addicting! I like roblox because it lets you use your imagination for building things and it lets you play games made by other kids. Rated 3 out of 5 by Anonymous from Great game! Good game for all ages, but can take up a lot of memory space!

ROBLOX Studio 2.0: On December 28th 2018, ROBLOX announced a new version of their Studio known as "Studio 2.0". The company claims that it is meant to be a new version of their previous releases which contains many improvements and better tools. It also allows users to earn cash if they choose to sell their items in the catalog.[91] On January 1st, 2019, ROBLOX updated the game and added a feature which allowed users to get an early access for Studio 2.0.

The code that has been provided with the promotion will reveal how much free robux is going to be provided with it. Once the code has been used, all of the games that are being played will be completely free.

1. Play games and complete tasks for developers.
2. Play games with your friends and make in-game purchases (i.e buying hats or clothing etc).
3. Watch videos played by other players and make in-game purchases (i.e buying shirts or clothing etc).
4. Buy the games from the store or on a marketplace website like G2A or Openpay
- 5.

Even though ROBLOX replaced many of its assets with assets from Awaited Studios for being sued by Dr. J for copyright infringement, ROBLOX did not do this to avoid paying royalties for all of the money that was earned by users who were using their assets in other games.
