Robux are the primary currency in Roblox. They can be used to purchase a variety of clothing, accessories (such as hats and T-shirts), tools, gear (backpacks, jet packs, and recovery kits), armor (vests and helmets), vehicles, special movement abilities (for example flying or invisibility), decals (decorative symbols which can be placed on vehicles or buildings) and more. The minimum one-time purchase of Robux is US\$4.95 (\$5 Note: this price has been around since 2013 but was not posted until 2015). Many items require substantially larger sums to afford them.

Safe for kids. The roblox website has a large system dedicated to ensuring that all content is safe - filled with age requirements and parental controls to provide protection from inappropriate content being found and viewed by children playing the game online. This is a great safety feature that provides peace of mind for parents looking to let their children play on it. Requires an internet connection to play. This is a small downside and something that can be fixed by using a Wi-Fi connection.

In response to these criticism, the ROBLOX website says that "Roblox does not condone the use of unauthorized software programs in games." However, this is not always the case as all users have full access to all of their content. In addition, if a publisher chooses to remove a particular asset from their game they cannot be held accountable for it."
