HelloRoblox2 works in almost the same way as HelloRoblox. It sends you robux once you've uploaded a video on YouTube. However, there is a slight difference. HelloRoblox2 has been around for a while, and because of this, the robux it can send are easier to get. It generally only sends out 100-200 robux per day. This works out to about 1 free robux per week. If you're in a hurry, HelloRoblox2 is probably better than HelloRoblox.

Liza is a writer who has been writing since she was young. She enjoys reading, writing and most of all, binge-watching shows on Netflix. Her obsession with Doctor Who started at age 13 and has not stopped since then. When she's not enjoying shows like Doctor Who, Supernatural, The 100 or The Walking Dead, you will probably find her watching Flash or Arrow. When she is not writing, her days are filled with social media marketing and attending various events.
