Roblox claims that she was fired because they found out she was using her workplace computer to dig up personal information about her co-workers and this affected her job performance. However, she claims that the only reason they are saying this is because they found out about her blog post and didn't want the bad publicity. Roblox also provided an email that Chris sent to HR in May of 2021 regarding erratic hours. She says that it was just a single complaint and wasn't fired for it.

On February 14, 2021, Roblox was awarded the "Best Educational App" award at the 13th Annual Lovie Awards, hosted by Institute for Family Film and Culture Education. This award recognizes family-friendly and innovative apps.

"Robloxian life" has actually changed how people view games now. People used to spend hours and hours in games without even noticing that time has passed because they were involved with the game's world. Suddenly, they realize their time is running out and that no one is helping them out for example.

ROBLOX is built upon a custom system that includes its own scripting language and core programming languages. While it may not be true to say that all games on ROBLOX are made with ROBLOX's scripting language, this is true of the vast majority of games on the site. The scripting language is easy to learn, but more advanced scripting calls can be difficult to implement for users who do not know the syntax or do not have the time. This has led to many third-party solutions (modification of gameplay, ROBLOX engine modifications and others) being made by experienced users so that less experienced users can get a head start in the game development process.

On July 26, 2021, ROBLOX warned its users about several scams on Roblox that are being advertised on YouTube. They were shown to have included links to pirated, unlicensed games, which are at risk of having their ROBLOX accounts banned due to the unauthorized distribution of their intellectual property.

My parents really like Roblox and they think it's a great way for me to make friends. They think it's good that I'm able to talk to other people online, meet new people and talk to them offline as well. The game is very social, so they like it because I've made many great friends through playing Roblox. I really enjoy Roblox because it has helped me develop a lot of social skills, and it's also a game where you get to meet new people from all around the world. I will continue playing roblox because it gives me the opportunity to have fun and make new friends.
