ROBLOX allows users to design avatars for themselves and use them in games. ROBLOX also provides users with tools that help them create a variety of designs for their characters which they can upload on the website to share with others. On January 30, 2014, ROBLOX launched an app that allows users to buy hats, shirts and pants for their characters. This is another first-of-its-kind feature on the app store as many apps do not allow people to buy virtual goods like hats or shirts. ROBLOX allows players to make full custom outfits for their avatar character that can be purchased with virtual currency via the app store by linking your account with paypal when purchasing.

On July 11, 2018, the "Custom Games" section of the website was temporarily removed due to a bug that caused players to be unable to see their own creations. The section was returned later that day.

If you are looking for a way to get free robux on roblox without having to spend money, then I would recommend using this hack tool. It is very easy to use, and it will provide a lot of fun while saving you some cash at the same time.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Watsi). This was called Roblox Builders Club: Mutliplayer Tournament which raised over \$6,000 for charity water.

Rated 5 out of 5 by Anonymous from Fun on Roblox Being able to build your own game with your friends on roblox is awesome. You can build anything you want including houses, cars and even animals. It will take a little while though but in the end it'll be enjoyable!
