Loved this game! by s_only_me on 2018/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ☐♥☐",

In August 2015 Moon Active announced that they had partnered with Amazon to create what appears to be a new version of Coin Master for release on Amazon Fire tablets in 2017. No other details were revealed, however an official announcement video was released later that month.",

The developer of Coin Master has revealed that he is working on a "new" mobile game which is not based on any of their previously announced titles. However, a few news outlets have reported that this game is actually "Coin Master 4". This version will also include brand new characters and gameplay elements as well as updated graphics and sound as the development team seeks to keep the spirit of the original games intact.",

Players earn coins from every completed quest type and can exchange their coins for real monetary value at the "Coin Master" website. There are also certain booster packs that can be purchased for real money which contain random rare cards that can be used in quest matches.",

On July 6, 2018, Moon Active released Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" for Android as a free app (it is not available on iOS). This "Coin Master" title features an updated version of the popular video game "Puss in Boots". The game was released in Japan initially as part of Moon Active's "Coin Masters" series. However, this version of the game was never released outside Japan. This version contains microtransactions which can be removed by paying \$4.99 for an ad-free version. The user review for Coin Master: Puss in Boots is composed of 4.5 out of 5 stars (out of 1 vote) from 1 user, with a user rating of 5 out of 5 stars (out of 1 vote).",
