Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.",

Noooooo by Binkybunnykitty1234 on 2017/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",

Best Game Ever by Ali Bery on 2017/11/30 17:16 This game is so fun and addictive! It's great because you can play with your friends, chat with other players, and customize your character with tons of cute outfits! The most amazing thing about this game is how many different achievements there are to unlock. You can even play a bunch of different mini games to win prizes! But after an hour or two that can start to get boring. So, I would say this game is great for short bursts or if you are bored or when you're on your phone at home.",
